

THINGS  
THAT  
MATTER

*a guide to Christian faith*

*This book is for those  
who wonder what  
really matters.*

Today many of us find ourselves discouraged, frustrated, and confused — “distracted from distraction by distraction,” in T.S. Eliot's phrase. Not only do we experience disappointment and failure; even our accomplishments fail to bring lasting happiness.

What is the meaning of life? How should we live? What can we hope for? We can avoid these questions for a while, but we must finally ask about things that matter.
