

## Ministerial Opportunity

The Goldthwaite church of Christ is seeking a pulpit minister with a family to come and help us grow the church in this community of 1800 people. Goldthwaite is the county seat of Mills County located two hours northwest of Austin. Our goal is to be Christ in this place by loving and serving each other and the community. Candidates should have the ability to preach doctrinally sound, yet spiritually motivating sermons and teach in-depth Bible study. We prefer someone with a Bible-related degree from an accredited Christian university or school of preaching.

You would also be required to make visits to the sick, the shut-ins and those weak in the faith. You must also be active in the community. The congregation is approximately 130 members. Please email resumes and a recording of your best sermon to the following email addresses, or mail to GCOC Preacher Search, P.O. Box 443, Goldthwaite, TX 76844.
