

COVID-19 UPDATE: Out of concern for the health and well-being of our community, the Austin Grad campus is now closed for all purposes until April 6. Classes will resume remotely on March 30 as previously announced.

This is a difficult and trying time that requires maximum cooperation as we serve one another by practicing social distancing during this crisis. Your support of this temporary policy is greatly appreciated. As a community dedicated to knowing and practicing the Christian faith, let's continue to pray together for wisdom, strength, and peace during this time. God be with you and yours in this season of uncertainty. We can trust that we are certainly in God's heart and hands.

An informative report of a virtual press conference held on March 20 with the interim Austin-Travis County Health Authority can be accessed at <https://www.kxan.com/news/coronavirus/austin-travis-county-health-authority-to-give-updates-to-covid-19-response/>.

We will continue to post updates that are pertinent to the Austin Grad community.
